CONSUMPTION

ASTHMA GURED. DR. 18. JAMES, discovered, while in the East Indies, a certain cure for Consumption, Asthma, Bronchitis, Coughs, Colds, and General Debility. The remedy was discovered by him when his only child, a darghter was given up to die. His child was cured, and is now alive and well. Delirous of benefitting his fellow mortals, he will send to those who wish it, the receipe containing full directions for ma king and successfully using this remedy, free, on on receipt of thir names with stamp for return postage. When received take it to J. R. Cuningham, Druggist, Terre-Haute, ind., and get the medicine. There is not a single sycoptom of consumption that it does not at once take hold of and esipate. Night sweats, previshness, teritation of the nerves, failure of memory, difficult expectoration, sharp poins in the lungs, sore throat, chilly sensation, nausea at the stomach,

inaction of the boweis, wasting away of the muscles. Address O. P. Brown & Co., 32 and 34 John street, New York. April 4, 1860-wfon Ceroner's Inquest-Report.

State of Indiana, Vigo County: A N Inquisition taken on the bank of the Wa-A bash river, in Harrison township, on the 3d day of April, in the year 1860, before N. W. Benson, Coroner of said county, upon view of the body of a person unknown, then and there lying dead, upon the eath of Thomas Robbins, J G Adams, Christ Hasselberg, C B Miller, J K Eberle, M D, and Benj Ebbitt, of the Township aforesaid, who being duly sworn diffigently to inquire how, and in what manner, and by whom the unknown came to his death, upon their eath do say that unknown came to his death by drowning from some cause, at present unknown He has made arrangements for receiving all the 5 or 6 inches in height, between 25 and 30 years old, apparently in good health, close shaved whiskers, dark hair and comfortably clothed .-His cost was a dark business one, made of cast nett; his pants were striped tweed; his vest was black cloth; his boots strong kip. He had on two lines shirts, and an undershirt, and had an extra shirt in his pocket, made of good domestic with fine lines bosom—a black silk neckerchief and two pocket handkerchiefs-one white linen, figured round the edge, and a red silk one. In his left vest pocket was 55 cents in change. in his pants pocket was found an empty pocket

Cravats, book, a short smeking pipe and a common In witness whereof, we, the Jurers aforesaid, have hereunto set our hands and scals on the day and year above written TEOMAS ROBBINS. J. G. ADAMS, CHRIST HASSELBERG. C. B. MILLER.

> Signed and scaled by the Jurors and received N W. BENSON, Coroner. A. H. Wiatt being duly swore, says: The Pilot of the steamboat Alida called to me and told me that he saw a man floating down the river, and told me to get the boat and go and bring him to shore; and I went and tied a string to his arm

'Tis Found Something How, True, Intellig ble and Important FOR THE CURE OF THE SICK Electropathy

ELECTRO-THEROPUTIC BATES D. JONES, M. D., tendere his profes Terre-Haute, for a careful disgnosis, and treat-ment of all disgases of a chronic or nervous character. He brings to his aid a new applica-tion of the most powerful of all agents. M.SC. TRICITY. Dr. J. would here state that be is not introducing a system based upon uncertainty and doubt, but one at all times reliable and has been tested by thousands. His especial claims are as follows: First, in determining the condition of the body or an organ by an electric diagnosis, which points out the character and locality of the disease. Second, The speak cific action of Electricity upon the body. Third The distinctive influence of the two polarities, the inward and the outward; and lastly. The scientific application of the two polarities to diseased states of the body, treating each state according to its requirements, and the fixed laws which govern the action of electricity. When these principles are understant the scientific the scientific these principles are understant to the scientific these principles. these principles are understood and strictle work, and the ability to cure so mystery.

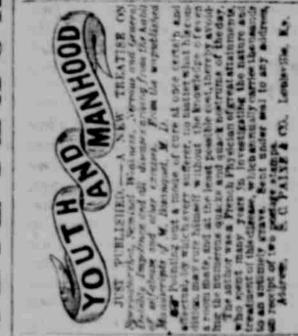

The following diseases are speedily and par-

Neuralgia, Rheumatism, Stiff Jointe, Consumption, Brochitis, Dyspepsia, Liver Complaints, Paralysis, Catarra. Asthma, Piles, Ulcers, Tumore, all Skin Diseases, Spinal Curvatures, Weak & Inflamed Eyes, Palpitation of the Heart, Contracted Mascles, Seminal Weskness, Impotency.
Ague, Typhoid Fever, Deafness,

Fits, Dropsy, St. Vitus' Dance AND ALL DISEASES INCIDENT TO PEMALES The above diseases are under the especial coatrol of the electrical agent, which never fails in any reasonable case to effect a permanent care. All shocks and irregular currents are avoided, which tend to excite and irritate the served exeten, producing a soothing and mild sensetion system, producing a soothing and mild some to the most delicate nerve. Those suffering from the above diseases and have falled to obtain relief from all other means should not fail to call and witness cares per-formed by this most powerful agent. Difficul-ties of years standing are sometimes removed to
